Please note our proof/ink policy:

One set of proofs will be included at no charge. Additional proofs or drawdowns as a result of customer changes will be billed as follows:

- Additional Proofs: \$40.00/ea
- Additional Drawdowns - \$25.00/color

We are happy to provide proofs and drawdowns during the quoting stage. Any cancelled purchase orders or speculative work not resulting in a PO within 60 days will be billed at costs listed above.

Post printing doesn't afford the same opportunity for color, clarity, consistency of position or complexity of artwork as compared to inline printing. Due to the limitations of the offline process, the expectations need to be understood prior to placing an order as there will be no returns accepted relative to the above listed items.

Please check this proof carefully. Once approved, there will be no claims or allowances for incorrect copy, size, or position. Proof indicates copy, size, and placement only. Back seam placement is subject to production capabilities. Art placement may shift up or down 1/8" for inline and 1/4" for post print. Side-to-side alignment tolerance is 1/16" for inline and 1/8" for post print.
