Discover the Eco-Natural Lite® mailer, your all-in-one sustainable shipping solution. Crafted in the USA from 100% recycled fibers and containing over 90% post-consumer materials, these mailers are not only plastic-free, biodegradable, and compostable, but also accepted in curbside recycling. The flexible fold-over design, expandable gusset, and Peel & Seal strip make packing and closing a breeze, while the resendable closure and seamless construction ensure secure, reliable protection. With customizable printing options available, Eco-Natural Lite® mailers deliver a truly eco-friendly, adaptable, and cost-effective answer to your packaging needs.
